Dear Professor Jeffrey:

If you have made no private arrangements for yourself during your stay in Toronto the University hopes to entertain you as its guest at the King Edward Hotel. Will you please let me know so that I may make reservation for you ?

June 14th, 1919

Professor G. C. Jeffreys,
Harvard University,
Cambridge, Mass.

Dear Dr. Jeffreys:

I have heard nothing from you except the telegram which brought so much disappointment, but I hope that by this time you are fully recovered. It was a great regret to your many friends here that you were unable to be present along with your distinguished scientific colleagues and fellow graduates. However, we shall look forward to seeing you at the next Convocation I hope in perfect health and strength.

I am to be in Boston on the 21th of June speaking for the Boston University, but presumably by that time you will be on your way to Cape Breton and I hope that the strong sea air will soon set you up again.

With kind regards, I am,

Yours sincerely,

President.
